

Adoption/Foster Care Leave

Frequently Asked Questions

When you are growing your family through adoption or foster care, your Heritage employer provides you with up to four weeks of company-paid time off to bond with your child(ren)

Do I qualify for the birth parent benefit?

If you are a regular, full-time, salaried (exempt) or hourly (non-exempt) employee scheduled to work 30+ hours per week, you are eligible for the adoption or foster care benefit the first of the month following your date of hire.

If both you and your spouse/partner are Heritage employees, you are both eligible for this benefit.

When am I eligible to take this leave?

If approved, the leave must be taken within the first 12 month after adoption or foster placement. For foster parents, the approved leave will be the shorter of 4 weeks or the time the foster child resides with the foster parent. If the placement lasts less than 4 weeks, your leave will end when the child no longer resides with you.

A total of up to four weeks in any 52-week rolling period can be taken for either Bonding (newborn, adoption, or foster) or Family Leave, or some combination of the two leave types.

Note: Eligible unpaid time off under the Family and Medical Leave Act (FMLA) will run concurrently with paid time-off benefits under this benefit policy.

When do I need to notify HR of my need for adoption/foster care leave of absence?

Please notify our Leave Administrator as soon as possible so they and your manager can plan for your absence.
